

## Description

Remote control unit with working pressure regulating valve, complete with glycerine bath pressure gauge with coloured dial, with differential scale isometric pressure gauge on request.

| Details            | Value                            |
|--------------------|----------------------------------|
| ARCode             | 1314                             |
| Category           | Remote control unit low pressure |
| Product            | ECM                              |
| Version            | 4 valves/rubinetti               |
| Delivery (l/min)   | 160                              |
| Delivery (gpm)     | 42,3                             |
| Pressure (bar)     | 20                               |
| Pressure (psi)     | 290                              |
| Weight (kg)        | 1,2 ÷ 1,6                        |
| Dimensions (mm) L  | 153 ÷ 306                        |
| Dimensions (mm) H  | 250                              |
| Dimensions (mm) W  | 252                              |
| Outlet (mm)        | ø12 (10-20 Opt)                  |
| Temperature Max °C | 60                               |
